ONLY 3 SHOPPING DAYS UNTIL CHRISTMAS

With only four days left for Christmas shopping, the largest crowd of the year is expected in Comanche Saturday to continue the biggest holiday season buying Comanche has enjoyed since 1929.

Close to 10,000 people were in Comanche Saturday according to conservative estimates, coming from every section of Comanche and adjoining counties and an even larger crowd is expected tomorrow.

Many Comanche merchants replenished their Christmas stock this week by special orders and despite the heavy selling an unusually large number of selections are left for late buyers. Many of these are being offered at reduced prices.

Comanche merchants are offering special inducements in connection with the regular Saturday Trades Day according to M. Coleman.

Harmon Howard, Director of the Comanche Band is arranging special music for the band concert Saturday and everything possible is being done for the entertainment of the crowd.

Santa Claus will make his fourth appearance in Comanche Saturday and again will distribute gifts to the children.

John Reese to Make Race For Sheriff

John Reese, Sheriff, will be a candidate to succeed himself according to a statement made to a representative of the Chief.

Mr. Reese was appointed Sheriff early in January to succeed Dwight Brightman who resigned to accept a place with the Department of Justice.

Mr. Reese is a former District Clerk and was in the run-off primary for County Clerk in 1931.

Mr. Reese said he would make his formal announcement in January.

Bob Masters Letters at Baylor University

WACO, Texas, Dec. 17.—Bob Masters of Comanche was among the list of twenty-four Baylor Bear football players who were voted letters by the Baylor Athletic Council today. Masters, a junior, was a regular on the Bruin varsity this year, and won the letter award for his second straight year.

Masters was a driving demon on the offense for the Bruins. It was his outstanding play alongside the flashy Lloyd Russell in the Bear backfield that was instrumental in bringing victory to the Bears eight times in eleven contests.

Masters became a hero of the Southwest gridiron when he intercepted an Arkansas pass with less than 90 seconds to go and raced 56 yards for the winning touchdown to give the Bruins their fourth straight victory of the season.

It was the pile-driving plunges of Masters that broke down the Rice defense, and the Comanche speedster pushed over the lone counter of the day to bring the Bears a surprising victory over the Owls.

NEARLY HALF OF TECH STUDENTS WORKING WAY

Lubbock, Dec. 17.—Nearly 44 per cent of the student body at Texas Technological college are earning all or part of their expenses, a recent employment report from the college shows.

The number employed is an increase of five per cent over that of last year.

Students working include 815 men and 239 women, a total of 1,054, of whom 784 are employed regularly and 270 hold NYA jobs. Those enrolled who wish to work but have not found jobs number 224.

HUNDRED ACRES PRODUCE \$2419

The 100-acre pecan orchard of C. F. Denny, near Bibb, which has attracted the attention of the pecan world for the last several years is in the limelight again this year with a production of more than \$2400.00.

There was gathered and sold from the orchard this year 15,700 pounds of nuts which brought an average of 12 cents a pound, or a total of \$1874.00.

In addition to the income from the pecans, Mr. Denny raised in the orchard three bales of cotton which together with the seed were sold for about \$225.00. He raised also in the orchard 240 bushels of corn valued at \$140 and 500 bales of oat hay valued at \$150.00, in addition to about \$70.00 worth of peas, bringing the total income from the 100 acres to \$2419.00.

Local Churches Plan Christmas Services

Most of the Comanche churches will have Christmas services Sunday or the first part of the week.

A "White Christmas" has been announced for the evening hour at the Methodist Church when gifts will be brought for those whom Santa might otherwise overlook and a program will be rendered.

A special song service will be held at the Presbyterian Church Sunday evening and a Christmas tree will be held at the church Monday night.

No special program has been announced for the Baptist Church, but the Christmas theme will be carried out in the song service and the sermons.

There shall be no preaching at the Central Christian Church Sunday, but the Christmas spirit will be carried out at the Sunday School hour.

Peanut Crop Is About One-Fourth Marketed

Only about one-fourth of the peanut crop of Comanche County has been marketed according to C. F. Denny, Public Weigher.

Mr. Denny said the crop had just now begun to move again after the threshing was stopped for several weeks due to bad weather.

A good crop was raised in the county and the price which at one time this season reached a dollar has dropped to about 70 cents for good nuts.

The Comanche Chief circulation campaign closes January 4th.

KANSAS CITY NEWSPAPER MAN WRITES OF HIS EARLY DAYS WITH CHIEF

The following interesting letter was received recently from Wilson Straley of Kansas City who formerly worked for The Chief. The book referred to in Straley's letter is entitled "The Sentry's Last Beat and Other Poems."

The letter: "Under separate cover I am mailing a copy of a little book that I printed recently. The contents of the volume were written by my brother, the late John Thomas Straley, approximately at the time and place designated at the close of each poem. These verses were written when the author was in his teens, at which time he was following printing except the period he served in the Spanish-American War—going out with Company M, which was organized in Comanche, however, he later transferred to the regimental band after the company was inducted into active service. Outside of writing the text, linotyping same, the work of the book—printing, binding,

Chief Christmas Edition Will Be Mailed Monday

The Comanche Chief will issue its regular Christmas Edition Monday. It will be placed in the mails that night and will reach the subscribers early Tuesday morning.

We hope to have a greeting message from every business firm in Comanche. The paper will also publish letters to Santa Claus from the children. These must reach The Chief office by Friday, December 20th.

The Christmas Greeting Edition will be the only paper published next week and the next issue will be on Thursday, January 2, one day earlier than the regular time, for that week.

LITTLE WILL BE CANDIDATE

Leverette Little, Commissioner of Precinct No. 1, will be a candidate to succeed himself according to his statement Saturday.

Mr. Little said that he had definitely decided to seek re-election after a number of people had talked to him about the matter, and stated that he would make his formal announcement the first of January.

THANKS LADIES FOR TREE LIGHTS

It takes the ladies to give the real Christmas touch in any holiday decoration scheme.

For the past several nights Comanche had been beautifully decorated with vari-colored electric lights, but still there seemed to be something lacking.

The Comanche Business and Professional Women's Club found the reason and now the old Oak tree near the southwest corner of the square is beautifully illuminated, completing Comanche's holiday lighting system.

If your credit is not good, you need not apply for a position with the State Old Age Pension Department, as it is required of applicants that they submit a recommendation to that effect.

DAY TO HEAD LEGION POST

Dr. L. K. Ory was elected Commander of the Rector Cunningham Post of the American Legion at a meeting here Tuesday night.

A. P. Cox was elected Vice-Commander, Phillip Parker, Adjutant and Jack Moore, Finance Officer.

Dr. Ory will succeed R. S. Walker.

State Issues Warning of Holiday Accidents

Austin, Texas, Dec. 17.—Christmas, the season of joy and happiness, will soon be with us and Dr. John W. Brown, State Health Officer, urges every one to do their utmost to prevent accidents in order that the season of merriment be not changed to one of sorrow or suffering.

This season of the year brings with it an increase in the motor vehicle traffic. Thousands of persons, enjoying a vacation, are on the highways at this time. Like public health, and a great many other things, traffic safety depends upon effective partnership. Whether you are at the wheel or on the highway or street, your safety and that of the other fellow, depend upon both of you.

The speed mania and reckless driving, and all that they imply, in the lack of self control, disregard for laws and for the rights and lives of others, are responsible for a large part of the tragic deaths and unnecessary suffering. In the face of the hazards involved, absent-mindedness on the part of the driver or pedestrian, also becomes a vice, with notorious record for destructive consequences. Motor transportation has become inherent part of our daily lives. To reduce the hazards for ourselves and for others the least we can do is to admit our obligation as partners in the Safety Traffic business, and to accept our responsibilities as drivers and as pedestrians.

One would not wish all patrons to be in a state of constant dread to the extent that every act be considered a source of possible accident; but we can be sensible and intelligent and since we are creatures of habit we can teach ourselves and our young people to recognize certain situations which represent hazards and to act in such a way as to prevent them.

T. O. LANE IN CHARGE HIGGINBOTHAM LUMBER YARD AT HICO, TEXAS

T. O. Lane, son of Dr. and Mrs. J. O. Lane of Comanche, has been made manager of the Higginbotham Lumber Yard at Hico.

Mr. Lane has been with the company for several months at San Angelo. He will succeed J. L. Isham who has accepted a position with the Hardin Lumber Company at Ballinger.

C. H. S. Musicians Are Thanked By Dublin

Comanche High School Band and Drum Corps were officially thanked this week by Dublin for the aid Comanche gave the Dublin Lions at their championship football games.

The following letter was received by the Comanche Chief, from A. G. Macy, Secretary of the Dublin Chamber of Commerce, and D. F. Franks, Secretary of the Development Club: "The Dublin Chamber of Commerce and the Dublin Development Club wish to express to Comanche their appreciation for the co-operation they accorded at our Bi-District game at Marlin and the Regional game at San Saba."

"We feel that this fine spirit was a great help in winning the Regional Championship. "We especially wish to thank Mr. and Mrs. Howard, the band members and the Drum Corps for their service. They made an impression that will long be remembered. "We hope that we will be able to reciprocate."

SCRAMBLE FOR TOP SEEN AS LAST BIG VOTE COUNT IS SET TO END DEC. 23

JACKSON DAY INTEREST UP

Interest is up in the proposed Jackson Day celebration for Comanche on January 8, according to former Mayor M. Coleman who is sponsoring a banquet for that night when the radio address of President Roosevelt will be heard.

January 8th first came into prominence in 1815 when Andrew Jackson won the Battle of New Orleans, ending the Second War with England.

The proposed celebration in Comanche which is being sponsored by Democrats is really more of a patriotic celebration than a party affair, Mr. Coleman said, and others besides Democrats are invited.

The local committee will begin work after Christmas to make the banquet one of the most successful events of its kind ever held in Comanche, the ex-mayor stated.

I. E. Wallace Is Given Two Years In Prison

I. E. Wallace, of Snyder, was given a two year term in the penitentiary in District Court here this week on a charge of disposing of mortgaged property. The case, on a plea of guilty, was tried before Judge R. B. Cross without a jury.

Wallace is alleged to have sold some mortgaged stock which he purchased from Fagan Chevrolet Company. He is said to be under a two year sentence from Tarrant County for passing a worthless check of more than fifty dollars.

Sheriff Reese went to Lubbock last week for Wallace and obtained custody of him from the jailer where he was being held.

Comanche Students On Annual Staff

James Wilkerson of Comanche, a student in John Tarleton College, is serving this year as sports editor of the Yearbook, student year book.

Nadine Keith of Gustine, is serving this year as calendar editor, and Nan Shelton, as assistant calendar editor.

Christmas Greetings TO EVERYONE

FOR YOUR ENTERTAINMENT—We Have Arranged An Unusually Good Program For Every Night During Christmas Week. COME AND BRING YOUR VISITORS—That Will be a Pleasing and an Easy Way to Entertain Them.

Candidates in The Comanche Chief "New Deal" "Everybody Wins," gift distribution are working every minute, forging ahead in the drive for supremacy, each striving to be the ultimate winner of the new 1936 Chevrolet Coach, purchased from the Fagan Chevrolet Co. at a cost of \$785.00, and several large cash prizes.

Many candidates changed positions in the final minutes of the second period which ended Monday night. Some that were up and down and some that were down are up. The closeness of the race has varied little, however, many having changed a small disadvantage to a small advantage (and vice-versa) in the vote count.

Work will bring RESULTS: subscriptions mean votes. Votes will win—not alibis. While most candidates are bringing in subscriptions, a few bring alibis.

The End Is Near Just a few more days and the last of the big vote periods will be over. A few more days and someone will drive away in her or his own new automobile.

Right now ten new five-year subscriptions count over three million votes. The bonus votes are extra. Work will get them.

Every candidate should make a report to campaign headquarters not later than 9 p. m. Saturday night.

Monday night at 9 o'clock sees the close of the last big vote period in The Comanche Chief campaign for a fine automobile and valuable purses of cold, hard cash.

"Live wire" candidates are preparing to show outstanding results at that time, for the hours are getting crucial. A lead taken now with only a few remaining days, and the vote schedule so sharply cut after Monday night, means that the grand prize is virtually assured.

On ten new five year subscriptions to The Chief over 3,000,000 votes will be given in this period. Twenty such subscriptions will bring over 7,000,000 vote totals; this demonstrates that a few such subscriptions could upset the race.

This is the time to redouble all efforts.

NOTICE YOUR LABEL

The figures on your label show the date of expiration of your Chief. For example if the figures 9-1-35 appear, it means your subscription expired Sept. 1, 1935, and that \$1.00 will pay you up to September 1, 1936. We are trying to bring our list up to date and will appreciate your renewal if you are in the arrears.

COMYN TAKES TWO GAMES

The Comyn Wolverines met the Alexander Basketeers to win two victories over them. The games were played at the Dublin gymnasium.

Comyn boys played first with the following line-up: Forwards: Burner and Rayburn; guards, Davis and Cook; center, Mathis. Slaughter substituted in the third quarter for Davis, who sprained an ankle. The boys' game proved to be an interesting one with the Wolverines one point on top at the end of the first half.

The final score was 19 to 17 in Comyn's favor.

The girls then took their places against Alexander with a line-up as follows: Forwards: Miller, Stuart and Strong; guards, Carr, Armsstrong, Barnes; substitutes: forward, Parker; guard, Thibaud. The Comyn girls outplayed the Alexander team in every respect with the score standing 23-0 at the end of the first half.

The girls kept playing a good game, allowing only 6 points to be scored in the last half. The game, allowing only 6 points to top.

Comyn coaches are expecting a successful season this year, since some excellent material has reported for practice.

A LESSON IN VALUES

Two Minute Sermon by
Wm. J. Hazel, Pastor of the
Local Presbyterian Church.

About this time 2000 years ago

baby was born in a stable.

What of it? I'm sure many

of us have been born in places

as lowly as a stable. Why

could we single out this particu-

lar baby. When the shepherds

heard that a baby had

been born in a stable, do you

suppose it caused much com-

ment. I can imagine that those

shepherds were in a hurry to get

back home. They

thought that home was little

more than a stable. To them

it was just one more

place to be cared for. What is

more baby among billions?

Perhaps they, too, did not want

to be disturbed. They

were sheep herders and did not

want to be interrupted with such

a thing as a baby. So we, today,

busy running factories, rail-

roads, farms, stores, banks, and

many of us seem to feel that

progress of the world, busi-

ness, the store, the factory, is

vitally important that the

baby that was born in a stable

nowhere about 2000 years ago

just another baby to us.

But my friends, the distinguish-

ing thing about this particu-

lar baby is that He was born for

every purpose of making us

happy and take note of a baby

that child was born to

show us that human beings are

more than railroads, yards,

factories and banks. He came to

show us the estimates of life's values

are the business of just liv-

ing. Stop ye people of Coman-

che, the fact that a baby was

born into the world 2000 years

ago is much more important

than being in the social register.

There is something in the stable

that is more important

than all the other business

of men and nations.

Let us may your stores be closed

Christmas Day in acknowledgment

of the birth of THE

CHRIST.

What has He done? He has

lighted the world of men that

Creator cares more for hu-

man beings than He does for

things, that men are worth more

in wheels. He does not teach

are you going to glorify Santa

Claus and the spirit of getting

for yourself or are you going

to celebrate the birthday of that

Babe who was born in a stable

2000 years ago? That baby who

came into the world to teach us

a better estimate of values. My

friends are your estimates worth-

while at this Christmas period?

Yes you must make a living my

friends. I agree with you in

that, but are you really trying

to make that living by putting

God first in your lives? Yes,

this is Christmas but what does

it mean to you more than in-

crease business, better pros-

perity, a better outlook for the

material future? Well, if that is

all Christmas means to us, bet-

ter that a mill stone were tied

about our necks and sunk in the

river, for God says an immortal

soul is worth more than all the

millions you can pile up.

God bless you every soul in

Comanche and may this Christ-

mas season be one in which your

sense of values will come just

a little closer to the estimation

of values of our Lord and Mas-

ter. Merry Merry Christmas to

all you Comanche folk.

PRESBYTERIAN CHURCH

NEWS

We are mighty proud of the

Young Women's Circle of the

Auxiliary, for, in the recent Red

Cross Membership Drive by var-

ious organizations in our city,

these wide awake ladies won the

city prize for securing the great-

est number of members for the

Red Cross. This is just a sample

of the energetic and unselfish

service that our younger women

are undertaking.

At our monthly Auxiliary meet-

ing we were happy to see so

many of our younger women pre-

sent. The Auxiliary plans to hold

its monthly meeting on the fourth

Monday of each month, in the

evening at 7:30 at the church,

so that more of our busy busi-

ness women can be present. Mon-

day night a very fine inspira-

tional program was brought to

us under the leadership of Mrs.

J. B. Allcorn. Those on the pro-

gram were Mary Hutchison, Mrs.

Louise Ammons, Mrs. Holmes,

Mrs. Clarke and Mrs. W. J. Hazel.

Cradle of a King." The evening

service will be almost completely

a song service with perhaps only

a five minute talk by the pastor.

Our Christmas tree will be on

Monday night, Dec. 23 at 7 p.

m. We cordially invite all chil-

ren and those who are not mem-

bers of other Sunday Schools, and

Joyous
Over Relief From

ASTHMA
SYMPTOMS

Feb. 17, 1928, one year after first taking
Dr. Fugate's Prescription, Mrs. Lucy
Harvey, Springfield, Illinois, wrote:
"I am still feeling fine. I had Asthma
for 25 years and had used all kinds of
medicines and doctors with doctors, but
nothing helped me as much as your
medicine. All winter I felt fine. I sleep
all night, and go out in the cold any time
I want to, and it don't hurt me. I do all
my own work. I got up in the morning
singing, where I used to get up cough-
ing. Dr. Fugate's Prescription is the
best asthma medicine I ever got hold of.
It is worth its weight in gold."
Oct. 8, 1934, 7 years later, she wrote:
"I am still enjoying the good health I
received from your medicine."
Those who suffer from bronchial
asthma symptoms should go to their
druggist today and buy the prescription
developed and used for years with un-
usual success by Dr. Fugate—a treatment
that has brought relief to thousands.

METHODIST CHURCH NEWS

Six Sundays have passed since
we began our new church year.
Each Sunday we have had an
increase in our church school at-
tendance. Come on Methodists,
let's have another increase in
attendance next Sunday.

Our church plans to observe
Christmas with a white Christ-
mas program this year. The pro-
gram will be given next Sunday
evening at 7:30. We invite you
to join us in this program, you
may bring a gift of fruit, clothes,
toys or groceries, or anything
you like. At the proper place in
our program these gifts will be
placed at the foot of the Cross
as a token of our love and ap-
preciation for the Christ Child
whose birth we are celebrating.
The day before Christmas these
gifts will be placed in baskets
and sent out to families of our
community who are less fortunate
than ourselves. Would you like
to help make some one happy
this Christmas by having a part
in this program?

Our choir will wear their new
vestments for the first time Sun-
day morning.

Our young people are off to
a good start with their Senior
League. We would like to have
all of our senior young people
with us next Sunday evening at
six o'clock. The young people
from De Leon came over and put
on the program last Sunday even-
ing.

Let us meet you in church next
Sunday.
Chas. H. Cole, Minister.

in three acts by L. Verno Stout
will be presented by the P. T. A.

girl, will try to make you forget
the heart interest and mother-
love. "Dave Patterman, village
crab, would aggravate even an
angel, but not the kind old
mother. "Mrs. Josiah Wilson",
"Gip" a carnival lad, who rolls
de bones, and "Ruth Wilson" who

tertain until you forget your
troubles and just live with them.

Public Bath

One of the many reasons why so many women
prefer to wash the Maytag way is because it keeps
the clothes at home. They are not exposed to un-
necessary dangerous contacts. They are washed
more carefully than by hand, yet with mechanical
perfection that assures cleanliness with ease and
rapidity. It's the modern way.

THE MAYTAG invites your comparison.
Mechanically it is as fine as a costly automobile. It
saves the clothes, saves your time, and by its long
years of usefulness brings new economy to washday.

MOUNT PLEASANT BAPTIST CHURCH

There will be a Christmas program rendered at the Mount Pleasant Church Sunday evening, Dec. 22, at seven o'clock.

This program has been in the hands of a proficient committee for quite awhile. We have some fine talent in our little church. For that reason, we feel perfectly safe in saying to the public in advance, you will enjoy this hour of good cheer.

No person in all the annals of history has brought so much good cheer to as many people as the Man Jesus Christ did. And yet, no one ever spent any less money on humanity than He did. What we are trying to say is, it does not require any great amount of money for you to be a great friend to God and man.

Committee,
Gordon Barrett.

DALLAS, Texas, Dec. 19—Dallas will be the poultry center of the United States during 1936 when the Texas Centennial Exposition stages a continuous series of poultry shows of national importance.

From the opening date June 6, until the exposition closes in the fall, the specially constructed Poultry Building will be filled to capacity daily with crops of pedigree fowls. The Poultry Building is a unit of the million dollar Agricultural and Livestock Center of the Southwest's first World's Fair.

Poultry events already scheduled include a baby chick show with 200,000 chicks on exhibition, a young bird show, egg laying contests with 500 pens participating, an All Turkey Show, the National Bantam Show, the National Rhode Island Red Show, specialty shows of English White Leghorns, American Barred Plymouth Rocks, and White and Buff Plymouth Rocks. Other shows of national interest are being arranged and will be announced after the first of the year. In the pet stock division will be held the National Rabbit Show and the Texas Pigeon Show.

Lectures on poultry raising will be given throughout the Exposition by nationally known authorities in this line. Future Farmer Clubs and 4-H farm boys and girls will stage shows of their own.

The new Poultry Building will have some 30,000 square feet of floor space with room for 7,500 coops. It will be modern in every respect with detailed attention being paid to sanitary conditions and ventilating. The cost of the structure, which will be completed May 1, is about \$35,000.

Adjacent to the building beautifully landscaped pools will care for exhibits of ducks, geese, swans and other water fowl. Walter Burton, director of the Exposition's Poultry Division, has charge of all show arrangements.

ASTOUNDING "LIFT" IN SINCLAIR H-C, Local Motorists Tell Sinclair Dealers

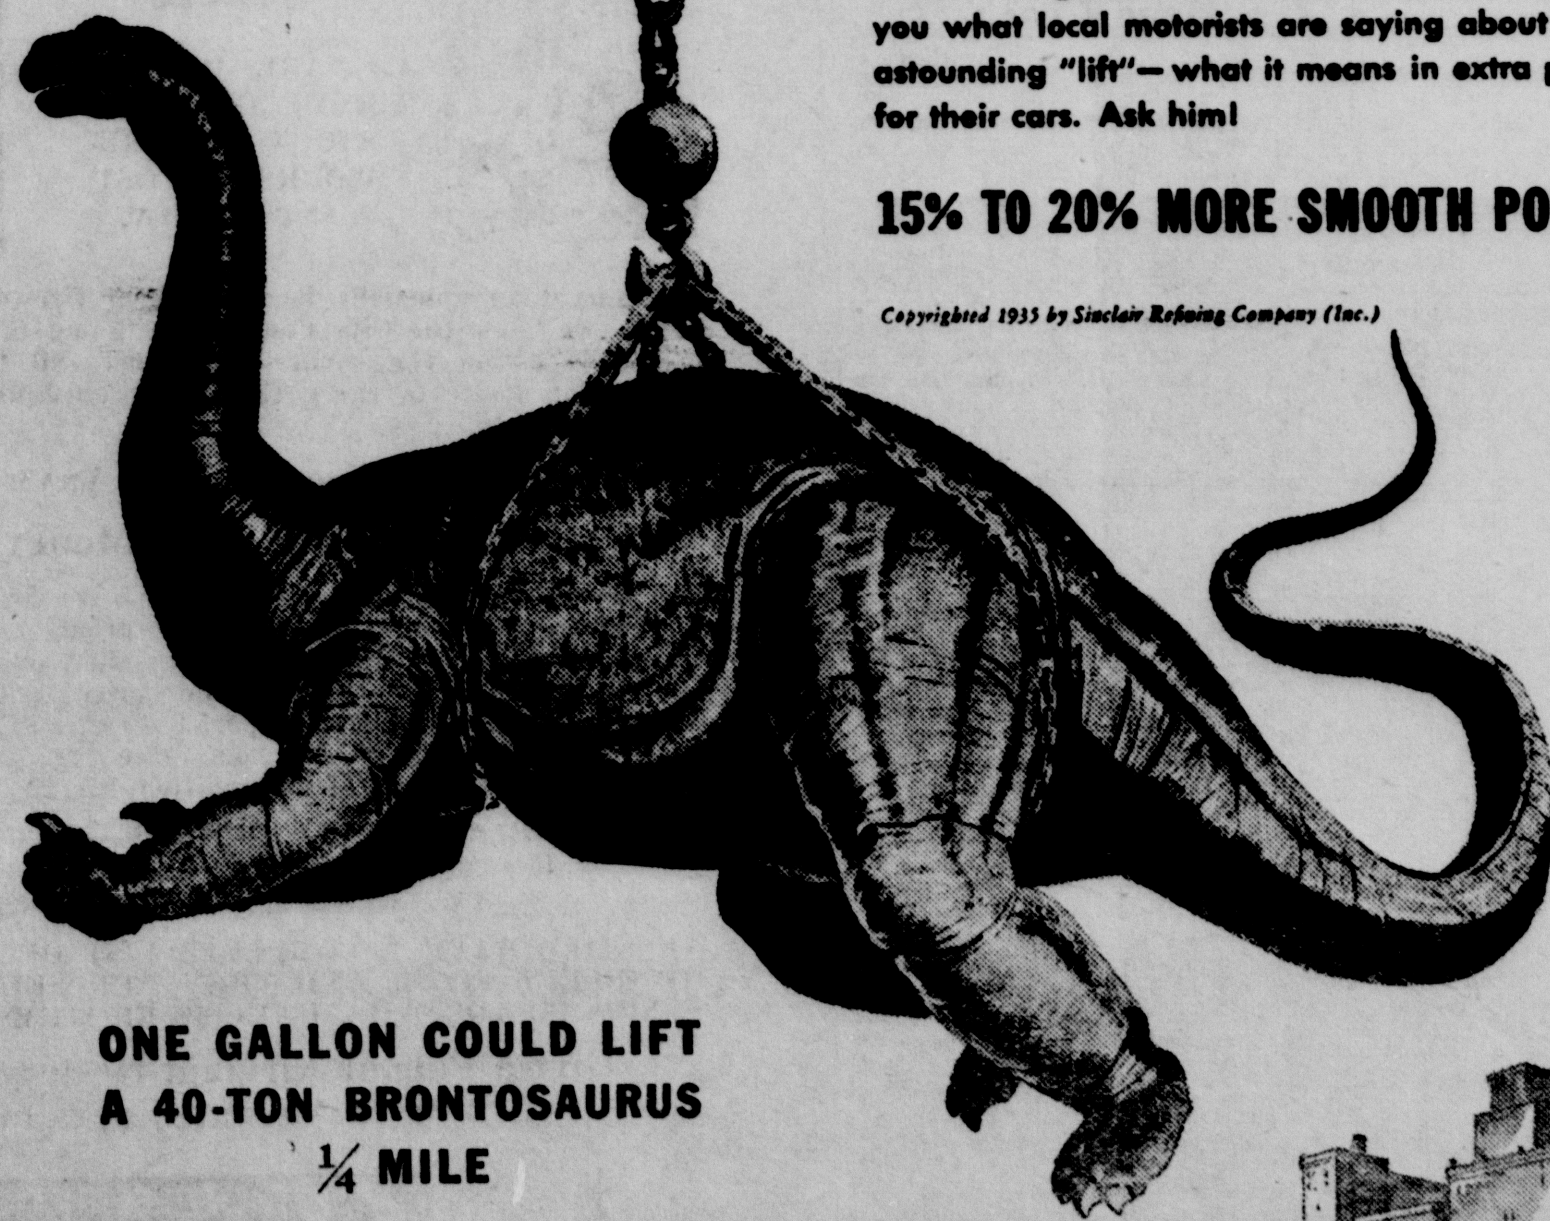

When you buy gasoline you buy liquid power. And power is measured by engineers in terms of lifting. A single gallon of Sinclair H-C Gasoline has the potential energy to lift 99 million pounds one foot. Putting that into a power picture we say one gallon of H-C could lift a 40-ton Brontosaurus 1/4 mile.

In automobile road tests Sinclair H-C Gasoline gave 15% to 20% more smooth power and from 1 to 3 more miles per gallon—compared to 12 other well-known gasolines!

Your neighborhood Sinclair dealer will tell you what local motorists are saying about H-C's astounding "lift"—what it means in extra power for their cars. Ask him!

More About KANSAS CITY MAN

(Continued From First Page.)

States Postal Agency with the A. E. F. in France. Mrs. Tom Preston of Comanche is his mother and C. E. Straley, a brother. His father rests in Oakwood cemetery, Comanche.

The writer of this letter learned the printing trade on the old Pioneer-Exponent. Thos. Gaines was the editor and owner (that was in the summer of 1892); later I worked on the Chief, then spent 2-1/2 years on the Granbury News, then returned to Comanche, and was assistant postmaster, under E. B. Atterbury for some 2-1/2 years, following which I was foreman several years on the Chief during S. J. Thomas' editorship; going from there to the Exponent (J. M. Adams, editor); next buying a half interest in the Chief with E. E. Anthony—but the panic of 1907 knocked the props out from under me, and I went to Nelson, Neb., where I edited the Nuckolls County Herald for over two years; returning to Texas, where I took over the editorial chair and management of the Hico News-Review in May, 1910, serving until February, 1920, when I sold my holdings and removed to Kansas City, where I worked a year in the job printing houses, then going to the Kansas City Star in February, 1921, where I have since remained.

Brother John and I were born in Miami County, Kansas. Father, the late Orlando Straley, removed with the family from Pleasanton, Kansas, to Comanche, Texas, arriving in the latter place on July 4, 1882, where the home has since been.

I see a copy of the Chief now and then, and I must congratulate you on the excellent advertising patronage you are receiving. I hope Comanche is fast overcoming the effects of the protracted depression. I have a very kindly feeling for the good people of the little city, and often long for an opportunity to spend a few weeks getting acquainted with people that have become citizens thereof since my departure. Most of those whom I knew in my youth and young manhood are passing on—and of my own circle of friends and acquaintances it appears that I am going to survive them all.

Pardon this rambling letter, but since the death of Mr. Carpenter I do not know who is in charge of the Chief, therefore thought that a few words of information would not be amiss.

With best wishes, I am,
Fraternally yours,
Wilson Straley.

Sanders Named Head Coach at John Tarleton

STEPHENVILLE, Dec. 15.—W. J. Wisdom, who has served John Tarleton Agricultural College as head of the department of physical education for the past 14 years and held the position of head coach in football and basketball, has announced that he had, with the approval of Dean J. Thomas Davis, placed Assistant Coach H. S. Sanders in charge of football at John Tarleton. Wisdom will remain head of the department of physical education and basketball coach, thereby making it possible for both coaches to devote their entire time to his specific field of athletics.

Coach Wisdom began his coaching work 20 years ago in Paducah High School where he remained until he became coach at Thorn Spring Christian College in 1913. He remained there until he came to Tarleton 14 years ago. In the 20 years of his coaching experience, he has either won, tied, or claimed the runner-up position in the conference or district playoff with the exception of one year—1933. With the exception of the year 1933, he has never lost more than four games in any one year. Out of the 129 games that Wisdom has coached in his 14 years at Tarleton, he has won 88, lost 27 and tied 14, giving him a .690 per cent average.

In basketball, Tarleton has not lost a game for two straight years, and has won the last 40 straight games, and indications are that the Ploymboys will produce another championship team this year.

Coach Sanders, who has served as Assistant Coach for the past six years, came to Tarleton from Southern Methodist University where in 1929 he rated all-American mention at the guard position. He is a graduate of S. M. U.

Cotton Farmers to Hold Elections

Just recently there has been announced by Secretary Wallace, a new cotton contract to replace the 1934-1935 contract expiring at the end of 1935. The new contract will be somewhat similar to the old 1934-1935 contract, but there will be a number of important changes to be made. These changes will be discussed at meetings held in various communities.

The Cotton Adjustment Association will be composed of farmers who have signed a 1934-1935 contract. Only those members of the Association will be entitled to vote when electing community committeemen for 1936. Members of the Community Committee who served in 1935 will be voted upon by members of the Association to serve in 1936. The two committeemen receiving the majority of votes shall serve in 1936; the third committeeman shall be elected by a majority vote of the members present. The County Committee shall be elected by the same procedure outlined above. No committeeman shall be eligible to serve unless he derives his entire income from farming and he must be 100 per cent for the Cotton Adjustment Program.

There will be an election held at the following places. Each member is requested to be present at one of the designated places. Please go to the committeeman with whom you signed your 1935 contract.
